Tree & Shrub Seeds

Season 1909-10

For Sale by

F. A. Miller

326 Nicol Ave., Fruitvale, Cal.

PHONE MERRITT 2640

In presenting this Price List, I feel that the Pacific Coast trade will appreciate my effort to offer a collection of Tree and Shrub Seeds which are most desirable, and I expect to make this list more complete from time to time.

As to the quality of the seeds I offer, I will do the best I can, but give no warranty, expressed or implied, as to the percentage of growth.

My terms are Cash, remittances to be made by post or express. Money Orders on Fruitvale. Check for less than \$2.00 not acceptable.

On packages by the ounce, I will pay postage. Larger packages will be sent at the expense of the purchaser.

The seeds of Palms and other seasonable imported trees will be sent as soon as they reach me.
